Good Health & Medicine's choice for the best buys in store this month

DEVONDALE REDUCE™ dairy spread helps lower your cholesterol absorption and has the great taste of butter. Just two serves (20 grams) of Devondale Reduce dairy spread per day helps reduce the amount of cholesterol your body absorbs. For more information, visit www.devondale.com.

SWEAX™ UNDERARM LINERS make those unsightly sweat marks a problem of the past. Discreet and non visible, Sweax for women and men give you sweat-free confidence all day long. The liners absorb liquid, keep your underarms dry and fresh, and save you the embarrassment of sweat marks while protecting your clothing. For more info, visit www.sweax.com.au.

The new **CARMEX®** lip balm squeeze tube is based on the traditional Carmex combination of menthol and camphor in a soothing base of cocoa butter and waxes. Not only does it feel smooth and silky, but it has a glossy finish. Carmex is a chic little lip balm, designed to help protect lips against chapping. Available in pharmacies nationally. For more info, visit www.carmex.com.au or email info@carmex.com.au.

DILMAH JASMINE GREEN TEA The Dilmah family doesn't compromise when bringing you the highest quality and all-natural green tea. It is sealed for freshness as this is the key to antioxidants and flavour. It contains only pure jasmine petals, so the tea is as deliciously fragrant as it is healthy. For more information on tea and health, visit the website at www.dilmah.com.au.

The **NATRALIA NOURISH ORGANIC BABY** range contains 100 per cent plant-based, pure and natural ingredients. Enriched with certified organic ingredients, it's free from petrochemicals, artificial colours, fragrance, alcohol, paraben and SLS. For a free sample, call **1300 555 597** or visit www.natralianourish.com.au.

ORTHAHEEL's range of biomechanical orthotics help realign lower limbs and alleviate heel, knee and ankle pain*. It's available from pharmacies, The Athlete's Foot, Priceline and selected sports stores. Call **1800 999 155** or visit www.walkpainfree.com.

Use only as directed. Always read the label. If symptoms persist, see your healthcare professional. *Refers only to people who experience pronation when walking and running.

HILDE HEMMES' HERBALS Mediterranean olive leaf extract has traditionally been used in Western herbal medicine to relieve fever, and maintain general wellbeing and normal blood pressure. Olive leaf extract has powerful antioxidant properties and helps sustain a healthy cardiovascular system. For more information, visit www.herbalsupplies.com.au.

ANLENE Did you know that our bones are made up of a dense outer layer and a delicate inner layer? Make sure you feed them every day with Anlene: its unique combination of calcium, vitamin D, magnesium, zinc and protein helps maintain strong bones. Are your bones as strong as you think? For more information, visit www.anlene.com.au.

DRONTAL ALLWORMER is unrivalled in controlling GI parasite infestation in dogs – no wonder it's Australia's number one vet-recommended allwormer! And the chewable tablets are just as popular with dogs. Thanks to the real liver flavour, it scores a 98 per cent palatability in tests. For more info, visit www.drontal.com.au.
